🎓 Education

Zhejiang University

Sept 2022 - June 2026, Bachelor of Science, Computer Science

📖 Research Experience

Zhejiang University

January 2024 - July 2024

Led a team project to create an emotion intervention system based on Hololens2

- Research Assistant. Advisor: Prof. Sha Zhao
- Responsibilities: Develop technical routes, complete 3D modeling of virtual characters, and integrate and deploy speech recognition, speech generation, and LLM communication and dialogue

Zhejiang University

June 2024 - December 2024

As an intern, I designed a framework for prompt jailbreaking and sensitive content detection based on prompt engineering.

- Research Assistant. Advisor: Prof. Zhongjie Ba & Peng Cheng
- Project: JudgeRail: Harnessing Open-Source LLMs for Fast Harmful Text Detection with Judicial Prompting and Logit Rectification (**ICLR 2025 Reject**)

Westlake University

December 2024 - June 2025

As an intern, I worked with Dr. Guo Fang to explore projects related to information extraction, retrieval, and intelligent agents.

- Research Intern. Advisor: Prof. Yue Zhang
- Project
 - Long Context Scaling: Divide and Conquer via Multi-Agent Question-driven Collaboration (**ICML MAS-2025**)
 - PaperIgnition: Tailoring Academic Discovery through Human Feedback and Intelligent Summarization (**under review**)

Zhejiang University

September 2024 - present

As an intern, I joined the laboratory to explore researches related to embodied intelligence. I am particularly interested in robot learning polices(such as pi0).

- Project: StaMo: Unsupervised Learning of Generalizable Robot Motion from Compact State Representation(**CVPR 2026, Highlight**)

🏆 Competition Experience

- 19th National College Students' Extracurricular Academic Science and Technology Competition, **National Special Prize**
- **Robot World Cup (China), Runner-up&First Prize**
- National College Students' Mathematical Modeling Competition, Provincial Second Prize
- 9th Zhejiang Provincial International "Internet+" College Students' Innovation and Entrepreneurship Competition, **Provincial Gold Medal**
- 15th National College Students' Mathematics Competition, Provincial First Prize
